Approval of Minutes
(IAC-M-139, 2 February)

1. Action: Approved.

Likelihood of General War
Through 1957 (SNIE 11-54)

2. Action: Approved as amended.

G-2 Proposal for
an Estimate

3. Action: Agreed that the agency representatives now convened on SNIE 100-2-54 (see IAC-M-139, para. 5) would take the G-2 paper under consideration.

4. Discussion: General Willems circulated a paper bearing on the planners' needs for an estimate on possible Chinese courses of action in Indochina. It was felt that it would be better for the IAC to meet this need than for the agencies to respond individually. It was suggested that the assumptions used for the SNIE mentioned above might, with some variation, be valid for this estimate. General Willems undertook to explore this with the requesters, as well as the scope of the related estimate.
